

1300 Bad Debt Collection Service

If you need to collect your delinquent accounts quickly & professionally at minimal cost, we can help. The biggest obstacle you have is delay. The collection process & if necessary the Legal Process should begin as soon as possible. Every month delayed significantly impacts collectability.

Demand Letter:

You can instruct us, via our web site at www.1300baddebt.com.au to issue a demand letter to your debtor for the cost of \$39.00 (inc. GST). The debtor is directed to forward the money to your office within 7 days or we will seek your instructions to issue Legal action through a Local or District Court.

Monies paid by a debtor in response to our demand letter are **completely Free of any Fees or Commission charges**. Our demand letter has a high success rate and offers you an opportunity to reclaim your money within the week.

Legal Action:

A Statement of Claim (Summons) is an originating process document filed at court legally claiming the monies due. On accounts referred for legal action, our commission fees apply being 10% on monies recovered from a debtor - payable on results only.

Our written guarantee is **no collection - no commission charge**.

Enforcement:

Our legal department and solicitors can offer you the full range of recovery action from the issue of a statement of claim, affidavit of service, obtaining judgment and the enforcement of judgment including: **A writ of execution, Garnishee order, Examination Summons, Bankruptcy or Liquidation & Writ against land.**

Free Advice:

We also provide free recovery advice on your bad debts from our experienced staff and in the event that Legal proceedings are necessary, **free Legal advice from our solicitors.**

Please phone us at any time direct on 1300 Bad Debt (1300 223 332)

Yours faithfully,
1300 Bad Debt
